PURE WATER PROJECT
LAS VIRGENES-TRIUNFO
Bringing Our Water Full Circle

Week of November 9, 2026

East Hillcrest Drive

Crews will continue pipeline installation near SR-23 and Rancho Road, including the removal of portions of the existing pipeline. Roadway paving, restoration, and preparation work will also continue between SR-23 and Flittner Circle.

West Hillcrest Drive

Pipeline installation, underground equipment work, and roadway restoration will continue between Marin Street and Wilbur Road. Crews will also begin preparing the Wilbur Road intersection for upcoming pipeline construction.

Potholing work will continue West of the Lynn Road and West Hillcrest Drive intersection and will continue towards Ventu Park Road. This work helps crews identify the locations of existing underground utilities before pipeline installation begins.

Dates/Times

Monday through Friday, from approximately 7 a.m. to 4 p.m.

Traffic Impacts

Motorists should anticipate temporary lane closures, traffic shifts, turn and parking restrictions, and flaggers directing traffic. Steel plates may be placed over work areas when crews are not present.

Access to nearby businesses and residences will generally be maintained.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.
