PURE WATER PROJECT
LAS VIRGENES-TRIUNFO
Bringing Our Water Full Circle

Week of November 16, 2026

Thanksgiving Holiday Schedule

In observance of the Thanksgiving holiday, there will be no work or roadway closures from Thursday, November 26 through Friday, November 27.

Agoura Road Utility Work

This week, crews will begin utility work in phases along eastbound Agoura Road between Oak Crest Drive and Reyes Adobe Road. Initial activities include installing irrigation and water lines within the public right-of-way. Roadway restriping will follow the utility work.

Dates/Times

Weekdays, from 7 a.m. to 3:30 p.m. Utility and restriping activities are anticipated to continue for approximately four to six weeks.

Traffic Impacts

Within designated work areas, eastbound Agoura Road will be temporarily reduced to one lane. Motorists and cyclists should anticipate traffic shifts, modified bicycle access,

and possible delays. Access to nearby businesses and residences will generally be maintained, although brief restrictions may be necessary.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Advanced Water Purification Facility (AWPF)

Construction will continue in phases at the AWPF site. During the week of November 16, crews continue underground electrical and plumbing work, foundation and trench

work within the future water treatment building, preparation for future treatment structures, and grading and drainage improvements.

Dates/Times

Facility construction is planned during daytime weekday hours.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Neighboring City Activities

Pipeline construction will continue in phases along Agoura Road in Westlake Village. Work includes nighttime construction at Lindero Canyon Road and Agoura Road, as well as daytime pipeline repair and roadway restoration between Lindero Canyon Road and Lakeview Canyon Road. Temporary lane closures, traffic shifts, turn restrictions, and possible delays are anticipated. Crews will work to minimize nighttime noise impacts as much as possible.
