

Week of September 7, 2026

No construction work or roadway closures will occur on Monday, September 7, 2026, due to the Labor Day holiday. Work resumes Tuesday, September 8.

Activity

Potholing (underground utility identification) along Agoura Road between Lakeview Canyon Road and Lindero Canyon Road was completed as scheduled on Friday, September 4. This segment is now in a brief pause between construction phases: excavation and pipeline installation may begin as early as mid-September.

Traffic Impacts

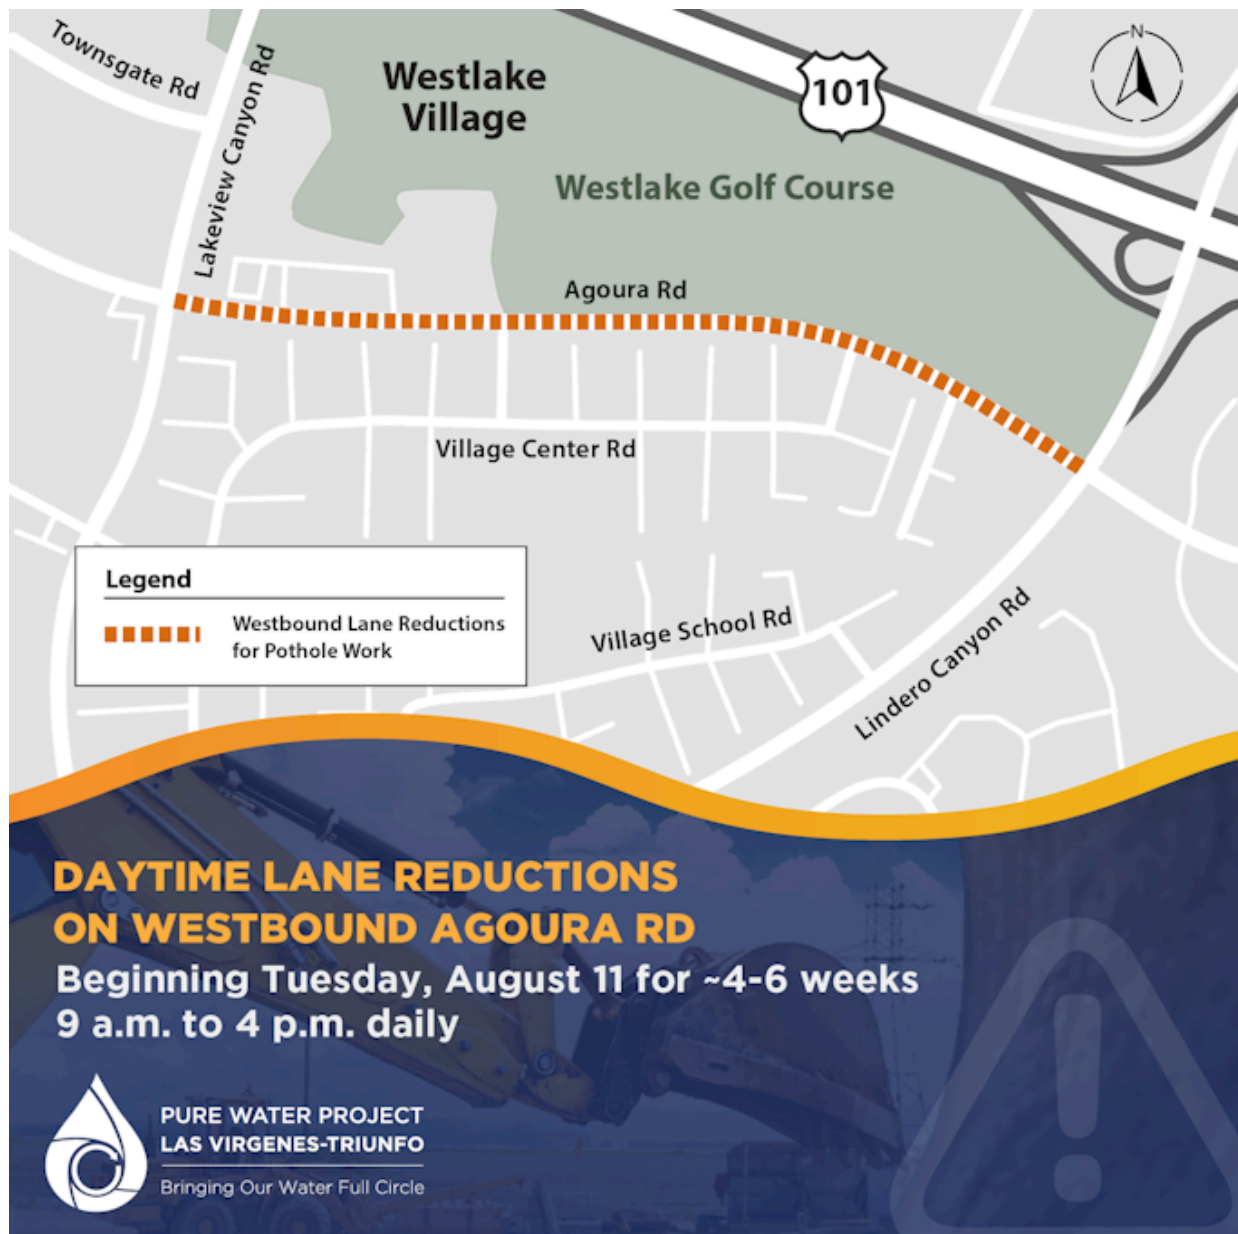

Motorists on Agoura Road should not expect construction-related lane closures in this segment next week. Normal traffic patterns are expected to resume until the above construction activity begins.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Contact Us

If you have questions or would like additional details about this work, please contact the Project Outreach Team at (818) 245-4440.
