

Week of September 14, 2026

Activity

Crews continue earthwork, concrete, and electrical work at the Advanced Water Purification Facility (AWPF) site.

Soil nail retaining wall construction continues, including hanging permanent rebar and installing future fencing. Crews begin prepping and installing the permanent wall facing later in the week.

Traffic Impacts

Heavy trucks and equipment will continue to enter and exit the site throughout the week. Please drive safely and watch for our crews near the AWPF site.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Contact Us

If you have questions or would like additional details about this work, please contact the Project Outreach Team at (818) 245-4440.
