

Week of September 21, 2026

Activity

Retaining wall construction continues at the Advanced Water Purification Facility (AWPF) site. Construction for retaining walls will include soil nail installation, rebar placement, and conducting permanent concrete walling facing work.

Southern California Edison will be conducting electrical work along Agoura Road on Tuesday, September 22 and Wednesday, September 23, from 7 a.m. – 5 p.m. Motorists should reduce their travel speed, follow all posted temporary signage, and watch for crews working near live traffic.

Dates/Times

Tuesday, September 22 and Wednesday, September 23

Daily, 7:00 a.m. - 5 p.m.

Traffic Impacts

A single lane reduction will take place along Agoura Road on Tuesday, September 22 and Wednesday, September 23, from 7 a.m. – 5 p.m. while Southern California Edison performs electrical work. Additional daytime construction noise may occur due to soil nail wall installation and heavy equipment activity. Heavy trucks and equipment will continue to enter and exit the site throughout the week.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.
