Activity

Potholing (underground utility identification) along Agoura Road between Lakeview Canyon Road and Lindero Canyon Road was completed as scheduled on Friday, September 18.

Elevated pipeline construction and repairs along Agoura Road between Lindero Canyon Road and Lakeview Canyon Road are targeted to begin as early as late September 2026. This work will include extensive roadway excavation, pipeline repairs and installation, and additional underground equipment installation. Daytime and nighttime traffic control will be implemented to ensure pedestrians, cyclists, motorists, and our crews remain safe during this work.

Traffic Impacts

Normal traffic patterns are expected to resume until the work described above begins.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.
