PURE WATER PROJECT
LAS VIRGENES-TRIUNFO
Bringing Our Water Full Circle

Week of October 26, 2026

Activity

> Urgent pipeline repair and installation work that began in early October will continue in phases along Agoura Road between Lindero Canyon Road and Lakeview Canyon Road. This work supports the Pure Water Project by upgrading critical infrastructure to improve water reliability and help prevent future service disruptions.

During the week of October 26, crews will continue pipeline installation near Greengate Court and move west as work progresses.

Activities along the corridor will include asphalt removal, roadway excavation, pipeline installation and repairs, underground equipment installation, and temporary roadway restoration.

The work is anticipated to continue for approximately four to six months.

Dates/Times

Monday through Friday, from approximately 7 a.m. to 4 p.m. Work hours may vary depending on the activity and location.

Traffic Impacts

Temporary lane closures, traffic shifts, turn restrictions, parking restrictions, and flagging operations may be in place as construction moves through each phase. Motorists should expect delays and allow additional travel time.

Access to nearby homes and businesses will be maintained whenever possible. Please follow posted signs and instructions from traffic-control personnel.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.

Contact Us

If you have questions or would like additional details about this work, please contact the Project Outreach Team at (818) 245-4440.
