

Week of September 28, 2026

Activity

No pipeline construction or construction-related lane closures are scheduled along Agoura Road during the week of September 28.

Urgent pipeline repair and installation work along Agoura Road, Lindero Canyon Road, and Lakeview Canyon Road are scheduled to begin Monday, October 5th, 2026.

Starting Monday, October 5th, crews will begin roadway excavation, asphalt removal, pipeline installation, and underground equipment installation along Agoura Road, between Lindero Canyon Road and Lakeview Canyon Road. This work will include extensive traffic control, staging equipment, and construction activities taking place in the roadway. Work will occur during daytime and nighttime hours over the next 4-6 months.

Traffic Impacts

Normal traffic patterns are expected to continue during the week of September 28.

Once pipeline construction begins, motorists should expect temporary lane closures, lane shifts, turn restrictions, and delays within the active work area. Daytime and nighttime traffic control may be implemented to safely accommodate pedestrians, cyclists, motorists, and construction crews.

Construction is a dynamic process. This information and the project schedule are subject to change due to weather, field conditions, and other factors.
